Hans will call on those with raised hands in the order raised.

1. Roll call and approval of February and March minutes.
2. City's response as to question of how neighborhood associations are regarded by the city and whether we are under an umbrella of their insurance. The answer received being no, what does that mean as far as protecting directors and officers from Personal liability and reaching personal assets in the event of a suit? Do we need to register as a non profit corporation? Obtain insurance?
3. Response to City Manager encouraging MVNA to pursue mediation options with the Pickleball Club.
4. Status of spring newsletter
5. Helping the historic group with a donation toward applying for a historic designation for historic structures and art at MHS-Marta
6. Masking plus physical distancing problem for joggers and hikers on popular steps that connect Veteran's Park to Huckleberry Hill- Bruce
7. Resident on Via Ventura constantly using a gasoline powered power washer. It is apparently being used for business purposes. Other gas powered equipment still in use. Blowers adjacent to residences on commercial lots. These topics as it pertains to City regulations for operating a business from home and use of Monterey's noise ordinance and how to handle violation. Bruce and Susan et al
8. Defining and making a statement about when and how MVNA and the board help on behalf of members' problems/concerns. I think it is a good idea to be able to refer too and be directed by one. Can it discussed some?- Charles and Jeana

Possible if time permits:

Does the undergrounding committee have anything to report?
