

## Monterey High School Neighborhood Newsletter Spring 2022 - Jan - Feb

### **Academics and Activities:**

The second semester has begun and we look to build upon our very successful first half of the school year. We have dealt with some early interruptions due to the weather, however we have been able to adapt and adjust accordingly. The student performance data from the first semester is in, and I could not be more proud of the efforts of our students and staff. We were able to cut our failing grades from the end of the first quarter to the end of 1st semester in half! Way to go Dores!

We have the opening of our early Spring production of “Alice in Wonderland” February 3rd - 5th and 10th - 11th, and this is a completely student directed and produced play. We are very excited to welcome the community to see this student interpretation and to showcase our wonderful students. Additionally, the 24-Hour Play Challenge, which is an assessment for our Professional Actors class, will take place March 3rd at 7:30pm. Students are given just 24 hours from the time they receive the script to perform!

We will have our annual “Day of Love” celebration and festival on campus on February 14th. This has proven to be a wonderful time to bring our campus community together for games, activities, and connection. We hope to celebrate the diversity of our student body and staff and highlight the cohesion we have created post-pandemic.

The Winter Athletics season is entering the second half and the Spring Season will begin at the end of January. This is the busiest time of year for our athletic programs as we have Boys and Girls Basketball, Boys and Girls Soccer, and Boys and Girls Wrestling from the Winter overlapping with Boys and Girls Lacrosse, Boys and Girls Swimming, Softball, Baseball, Boys Tennis, Boys Golf, Boys Volleyball, and Boys and Girls Track and Field. Practice time and facility usage is at a premium! I hope members of the community can come out to see a game on the field, on the court, in the pool and anywhere else the Green Machine might be!

I hope everyone is doing well after the recent run of storms we have all experienced, and we look forward to seeing you all soon. Please plan on attending the Monterey High School Open House at 5:30pm on April 20th. See you then!
